**“Working together to Strike Out Cancer”**

March 3, 2017

To Whom It May Concern:

We are contacting you on behalf of Jason Motte Foundation to request a donation from your business for our upcoming fundraiser benefiting this organization. Jason Motte Foundation is a national non-profit organization that raises funds for cancer research and awareness. On May 19<sup>th</sup>, our teams will be hosting a fundraiser “Strike Out Cancer Game” at Trout Park in Elgin, Illinois to raise funds for the Jason Motte Foundation in honor of our friends and family who have been afflicted with cancer and is still fighting the fight. The event is to raise money and connect the community with support and awareness. The fundraiser will be an afternoon of fun for families with baseball, raffles, and food. 100% of the proceeds from this event will be donated to the Jason Motte Foundation.

We are requesting your assistance in making this fundraising event a success. By making a donation of merchandise, or gift certificates, you will be making a tax-deductible contribution that will benefit the lives of many families and will honor local family members who are currently battling this awful disease.

We appreciate your consideration in this matter and would be grateful for any donation that you might be able and willing to offer.

With Gratitude,

John Sarna & Brian Rockweiler

\*Jason Motte Foundation is a 501(c)(3) organization. **IRS ID # 46-1415039**

\*All donations are tax-deductible
