

Dear Baseball Fans,

I am writing you to provide you with some information about a special event that is taking place at Trout Park. The high school baseball programs from Hampshire and McHenry are joining forces on May 19th in an effort to raise money for people affected by cancer. We are giving you the opportunity to **DONATE A MINIMUM OF \$10 FOR SOMEONE WHO HAS BEEN AFFECTED BY CANCER**. The names will be placed on a wooden baseball plaque created by the players, and located around the diamond for people to view throughout the game. You can take a look at how they were displayed last year with the picture below. We want to show everyone who we are “Striking Out Cancer” for. There will also be a silent auction with a number of great items to bid on during the game. Over the last three years we have raised \$7000, \$8000, and \$6000 respectively and hope to exceed that value with your help. If interested, please contact Joe Natale at joseph.natale@d300.org with the information below. The plaques will be delivered to you after the event is over and all checks should be made out to Hampshire Baseball. Donations are greatly appreciated, and we hope to see you on May 19th for a great day at the ballpark.
